Art Unit 2879

#### **REMARKS**

**Claims 1-19 are pending and allowed  
New claims 20-32 are added by amendment herein.**

#### **Claims**

By the above amendment, new claims 20-29 (depending from allowed claim 1) and claims 30, 31 and 32 (depending from allowed claims 2, 18 and 19 respectively) have been added to more particularly point out the present invention. No new matter has been added. Support for the new claims is found throughout the originally filed specification and claims. In particular, support for claims 29-32 can be found at paragraphs 25 and 49. Consideration of these new claims 20-32 is respectfully requested.

#### **Abstract**

The Abstract has been amended as required in the Office Action to remove the legalese language "comprises". Reconsideration and withdrawal of the objection to the Abstract is therefore respectfully requested.

#### **Conclusion**

In light of the previous allowance of all original claims 1 – 19 and Applicant's presentation of new claims which all depend from previously allowed claims, Applicants submit that the claims of the present invention are in condition for allowance. An early notification of same is earnestly solicited. Should the Examiner be of the view that an interview would expedite
